The FINAL Touch

Well, this is it! This is our *final touch*. It's time to accept the responsibilities and challenges that await us in that great big world; time to let go of the past in hopes that it has prepared us for the future. It's time to say goodbye.

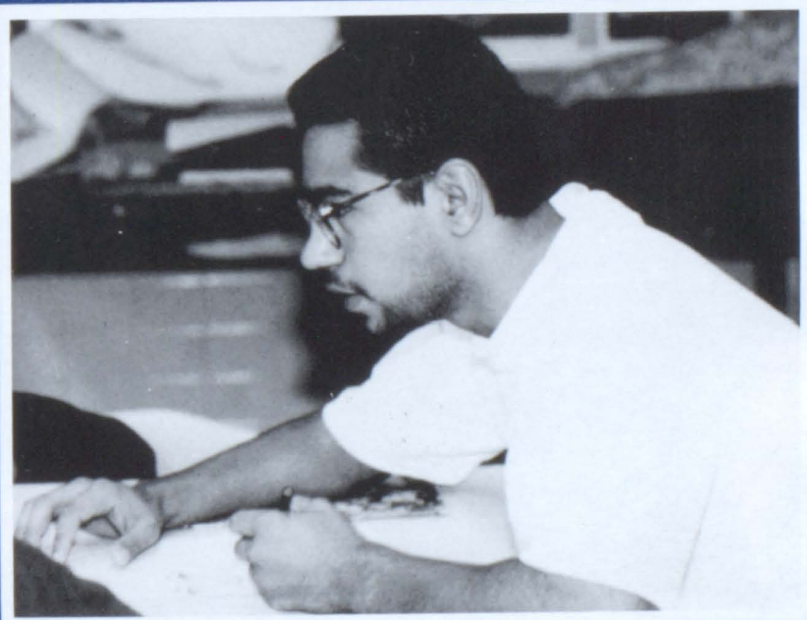

The **FINAL** *Touch*

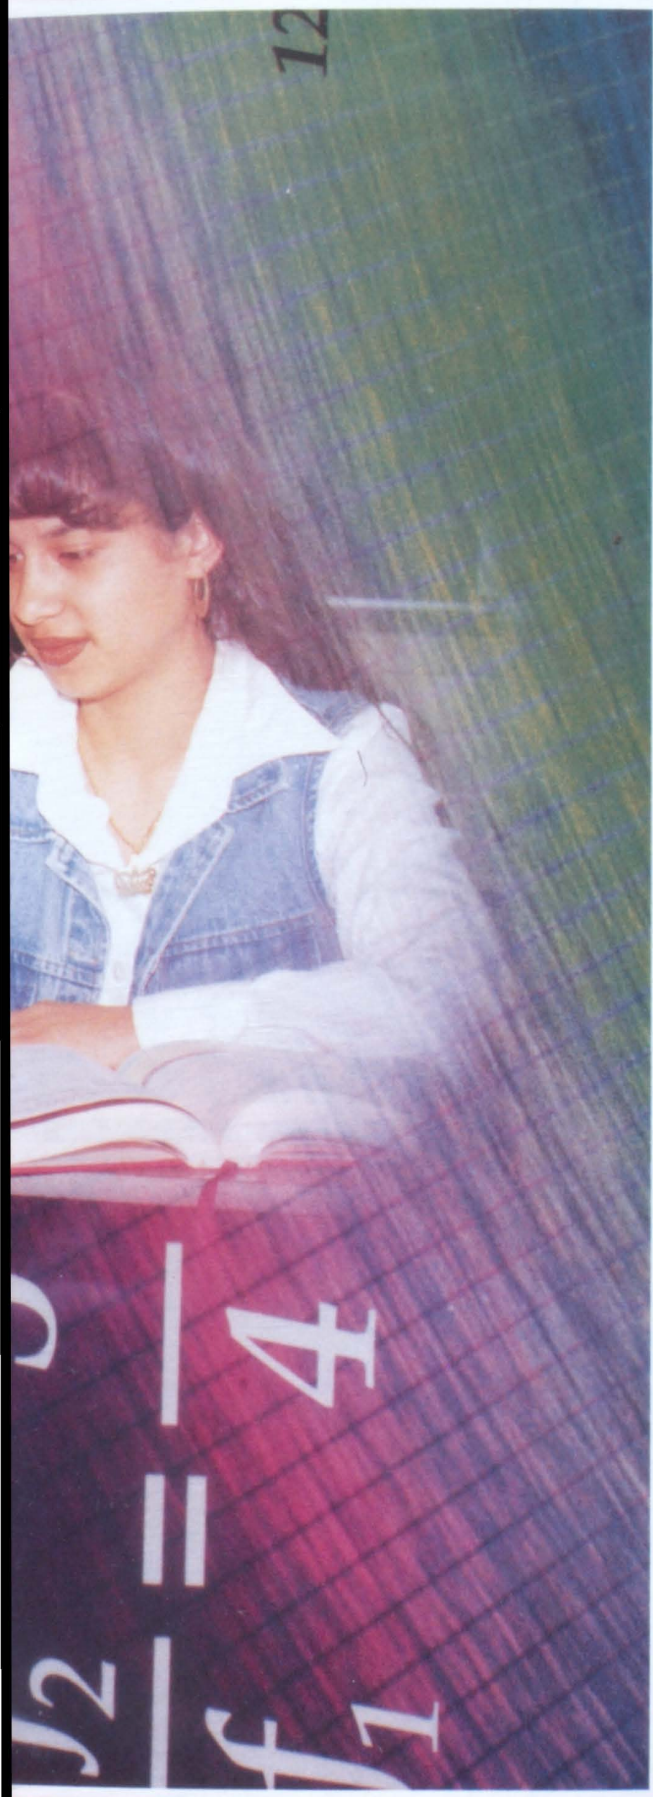

From Newark High School, which was founded in 1838, to Barringer High as it is called today, our school has succeeded for 160 years. - and we are the two hundredth graduating class. Through up and down times education has always been a priority; the first and the *final touch* at Barringer.

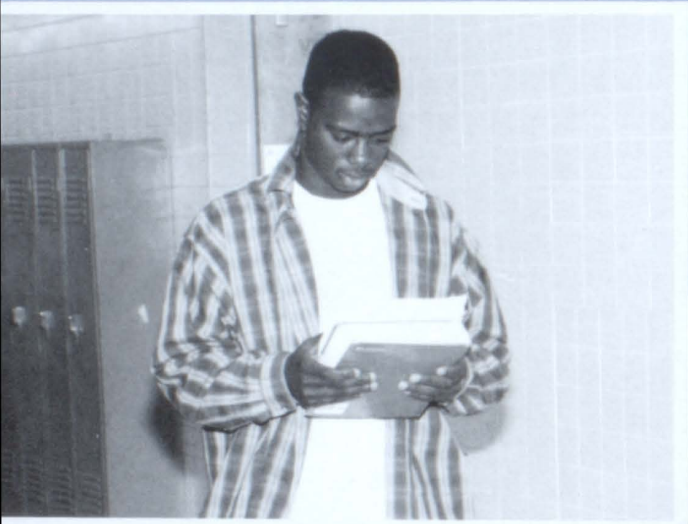

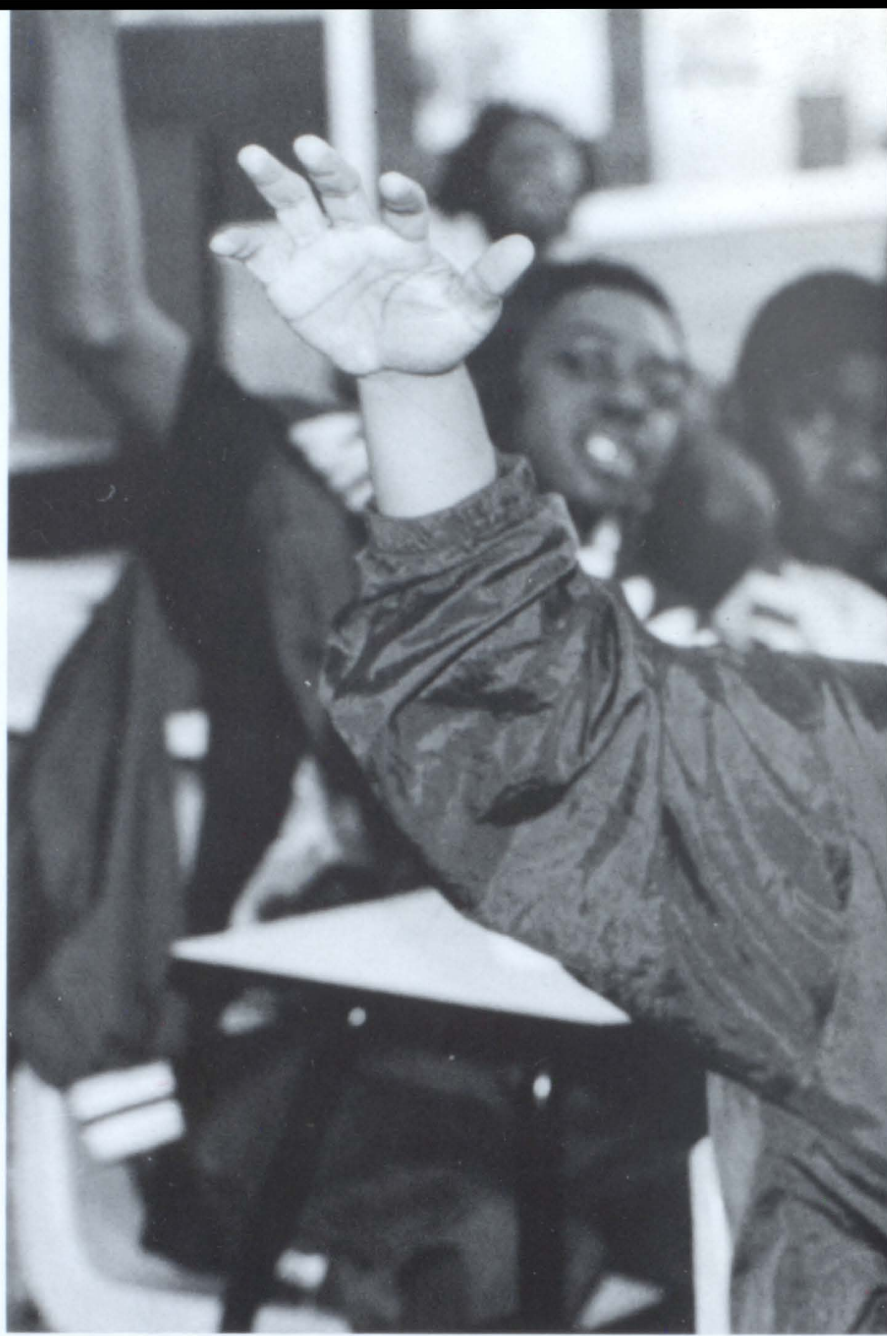

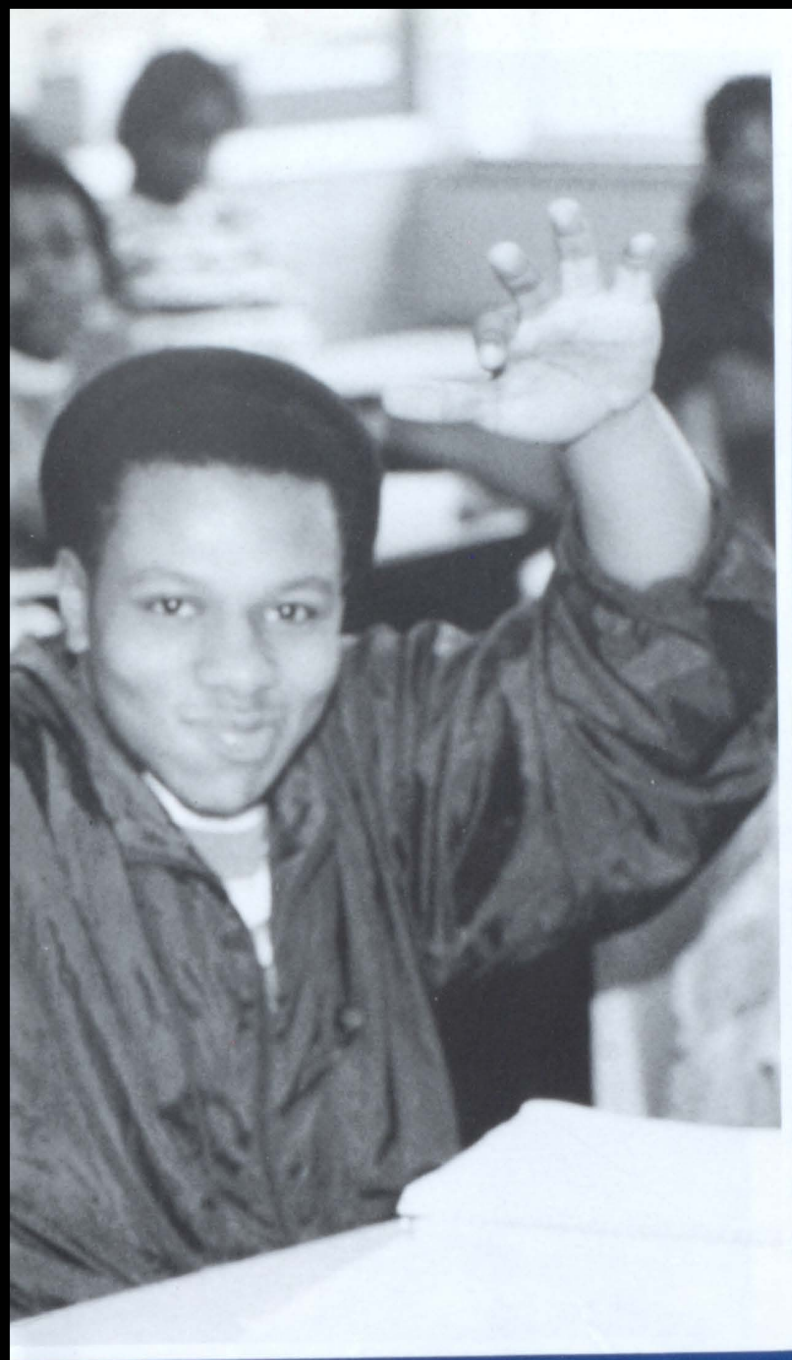

The **FINAL** *Touch*

When we graduated from grammar school, we were touched by maturity because we realized the next step was high school. Now that part of our lives has flown by and we stand here as Barringer High School graduates; thus ending another chapter in our lives.

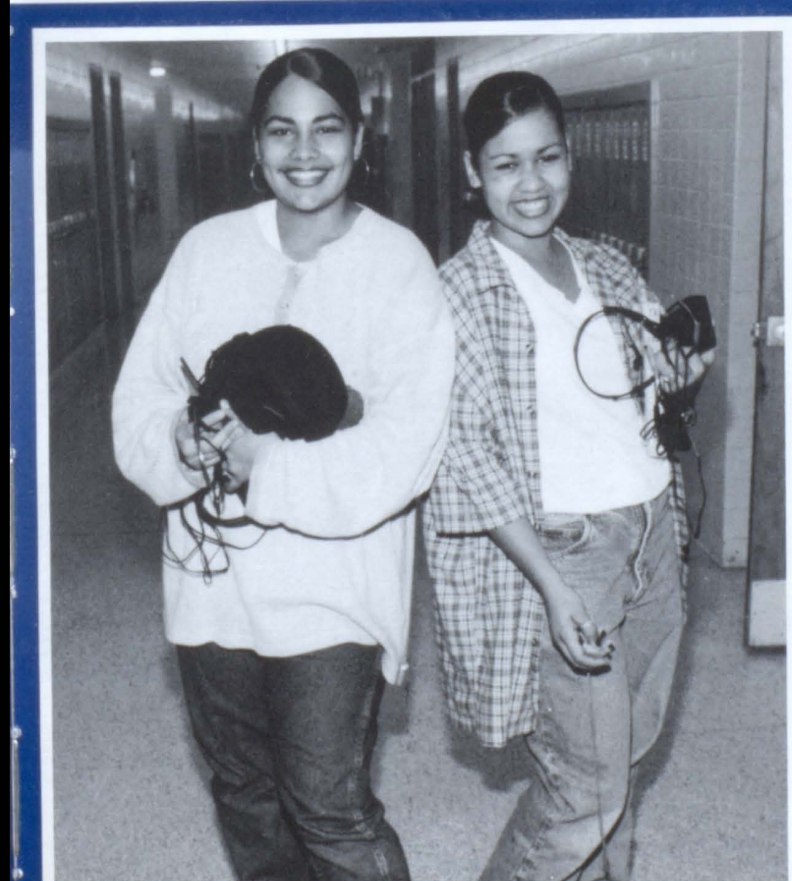

The **FINAL** *Touch*

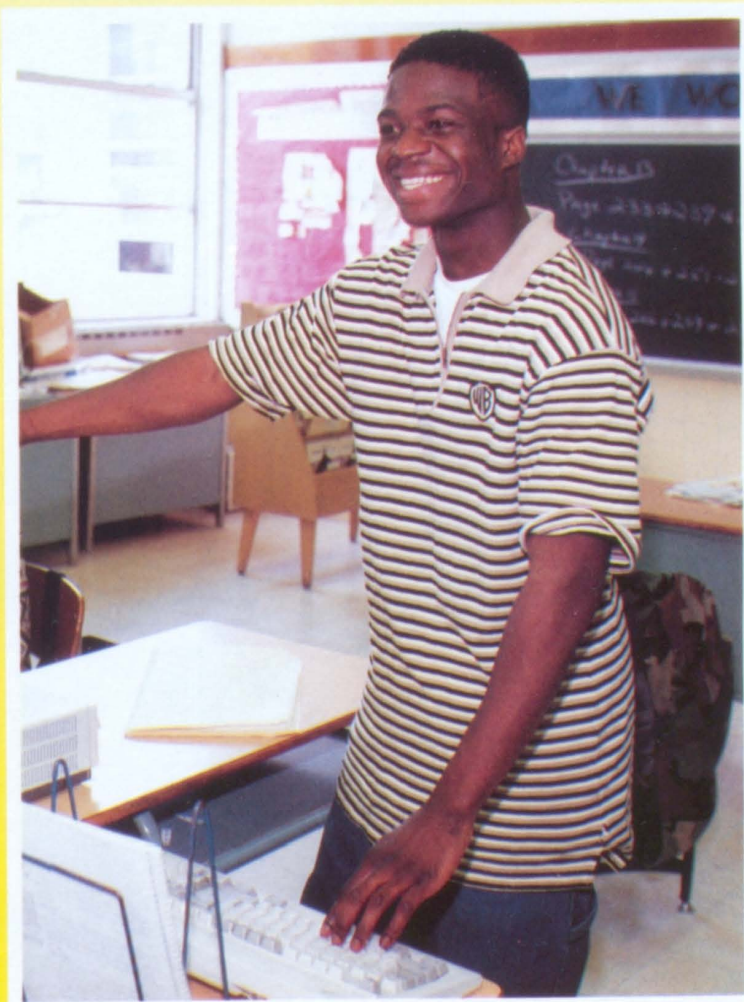

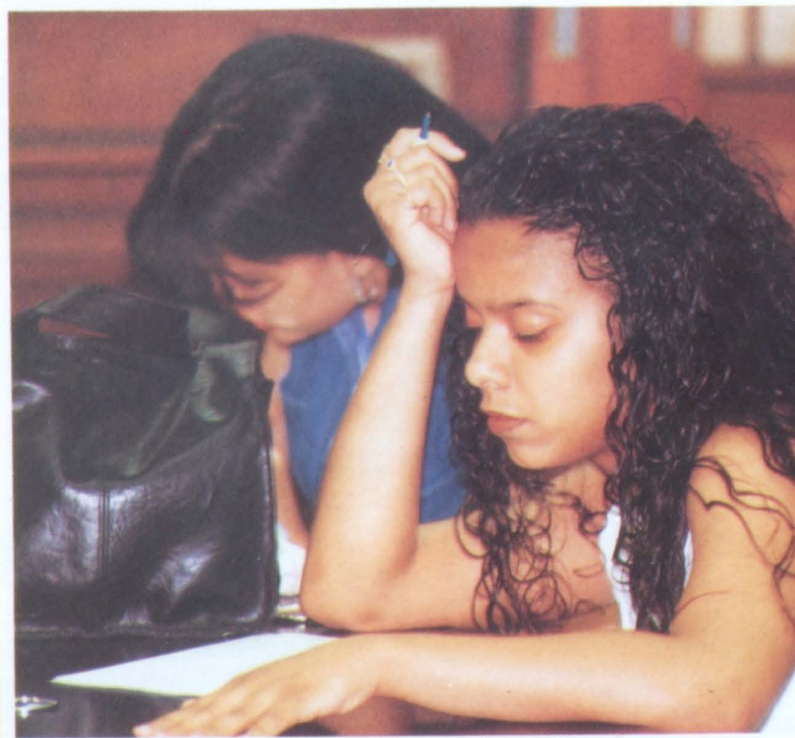

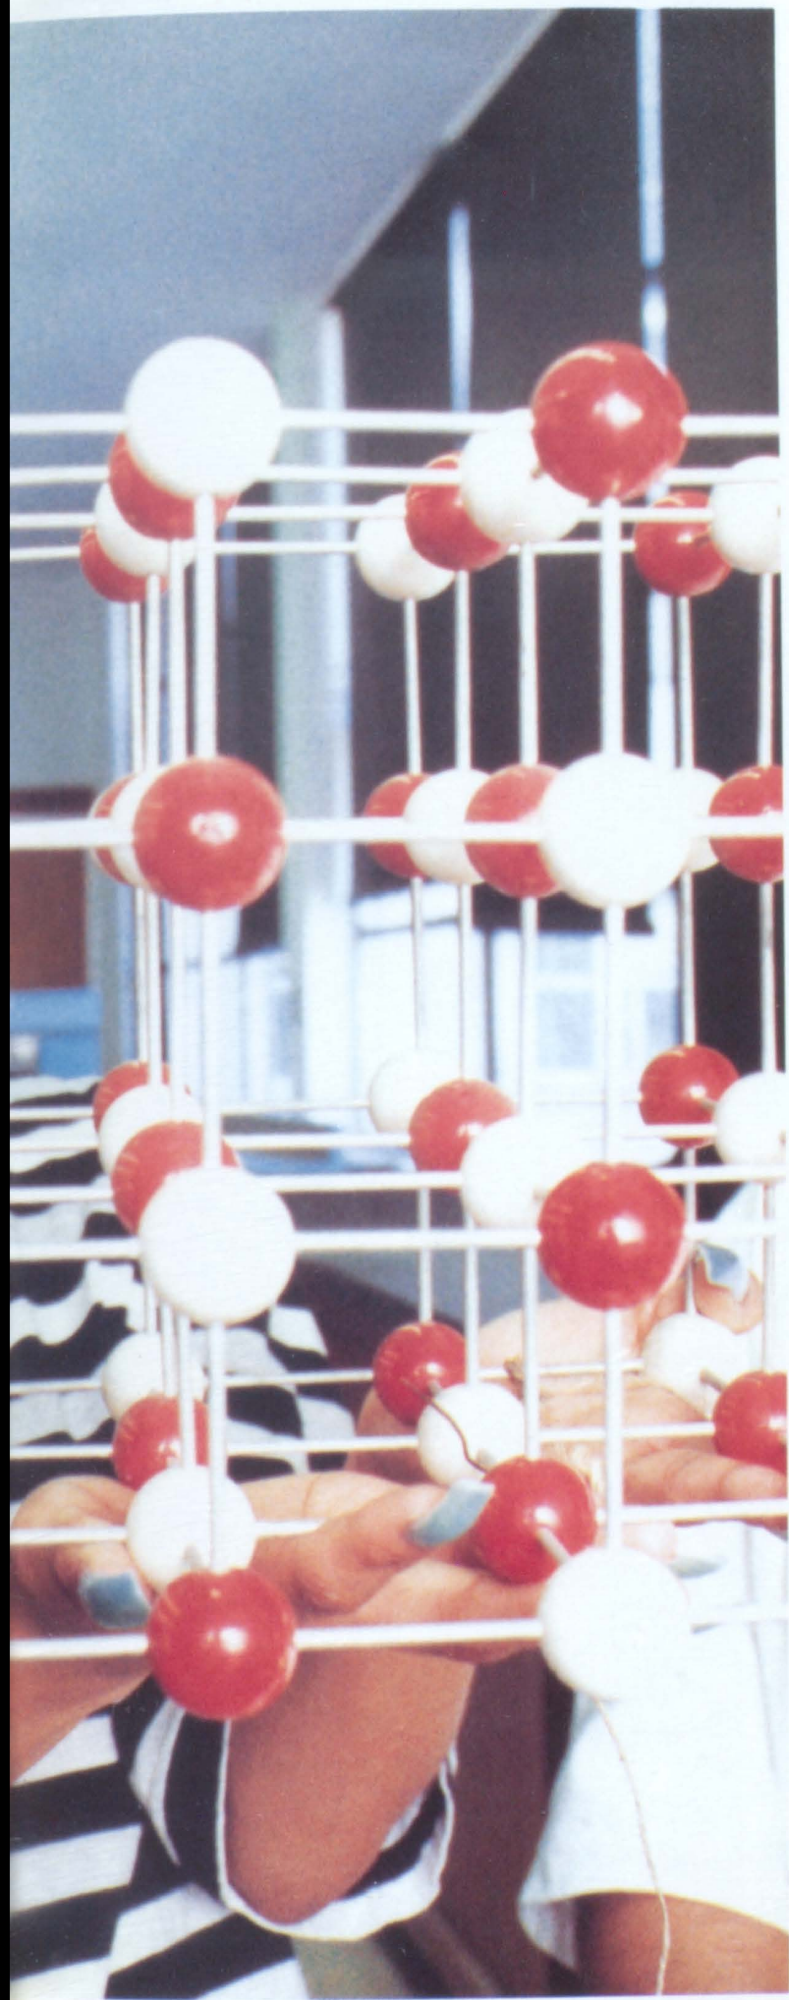

We are leaving our comfort zones, saying farewell to our closest friends, and moving on past adolescent years. But the *final touch* means more than leaving your loved ones. Becoming an individual, and making our own decisions based on life experiences, comes to the forefront.

The FINAL Touch

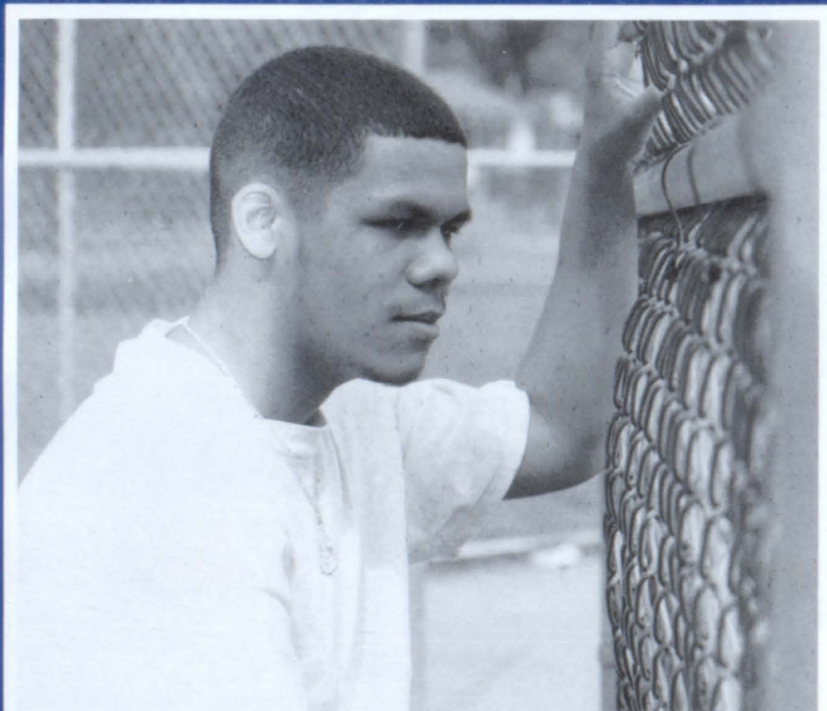

In the real world doing your best is not always expected. You won't necessarily be patted on the back when you achieve. However, at Barringer maybe the *final touch* is how we learned not to just be satisfied with mediocrity, but to pursue excellence.

The FINAL Touch

Though life will become much more difficult, burdens a bit more heavy, Barringer has prepared us for it all. And although the adventures we will experience will be ever more intimidating, we have learned to adapt. We will overcome the difficulties thrown at us. This is our *final touch*, yet the beginning of our forever.

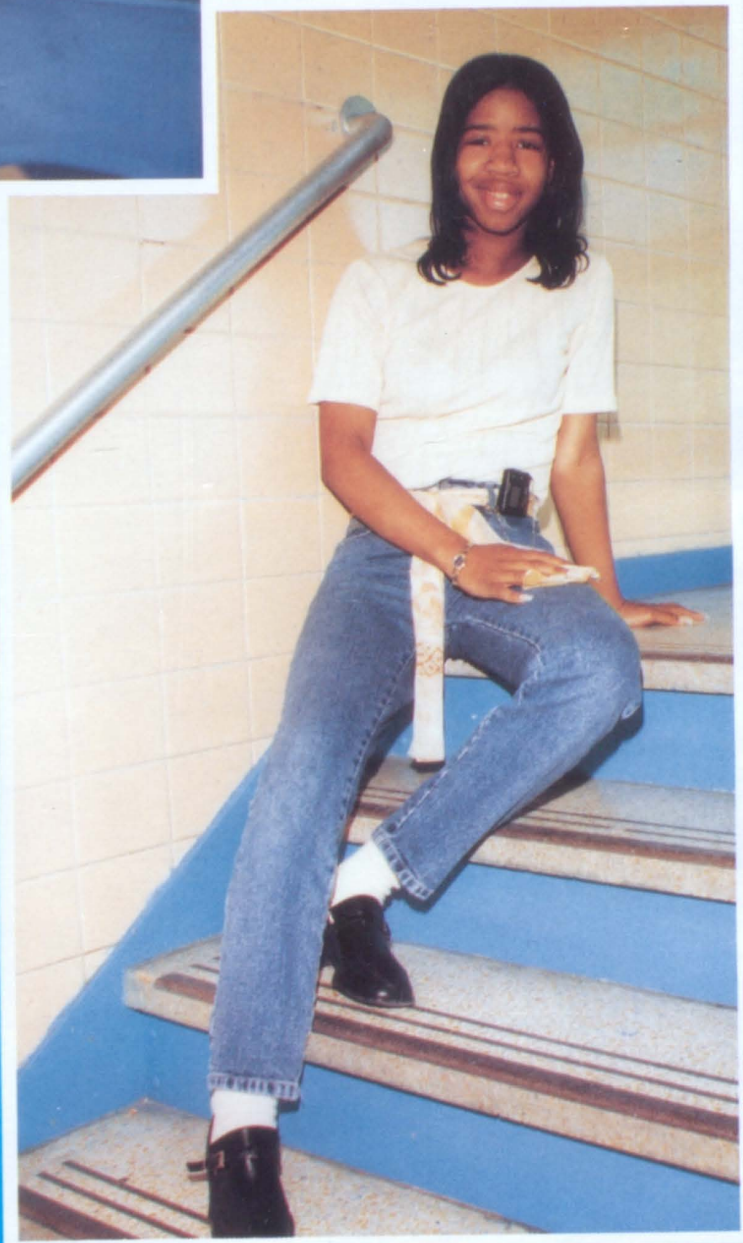

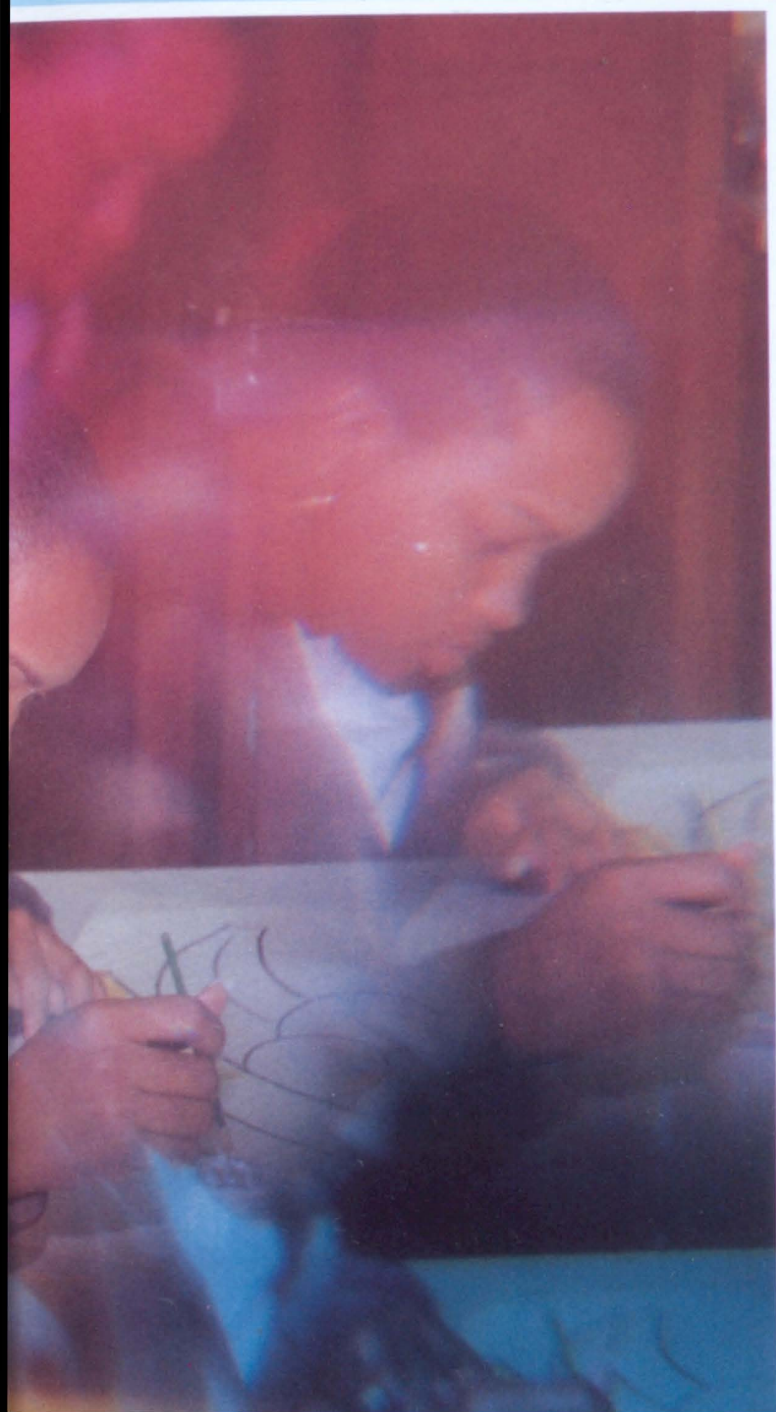

The FINAL Touch

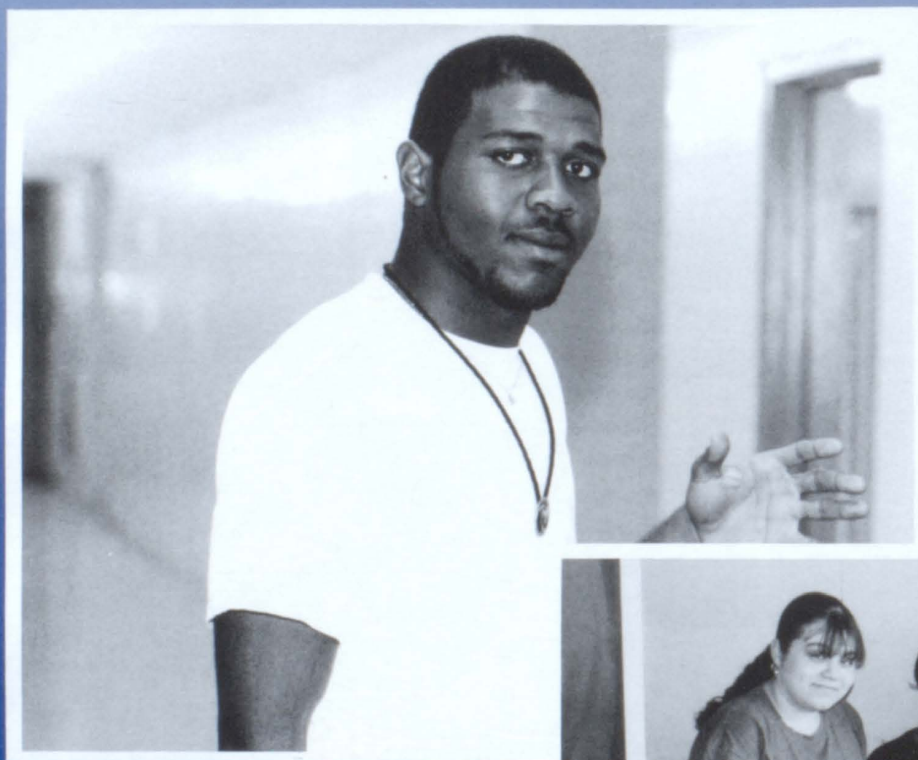

And after Pomp and Circumstances is played by the school band, and we move out to greet those who have supported us our whole lives, our parents and teachers, we briefly stand on the steps of the Sacred Heart Basilica and peer across at Barringer. We reflect on the lessons we've learned, the people we've encountered and the experiences that we will remember our whole lives.

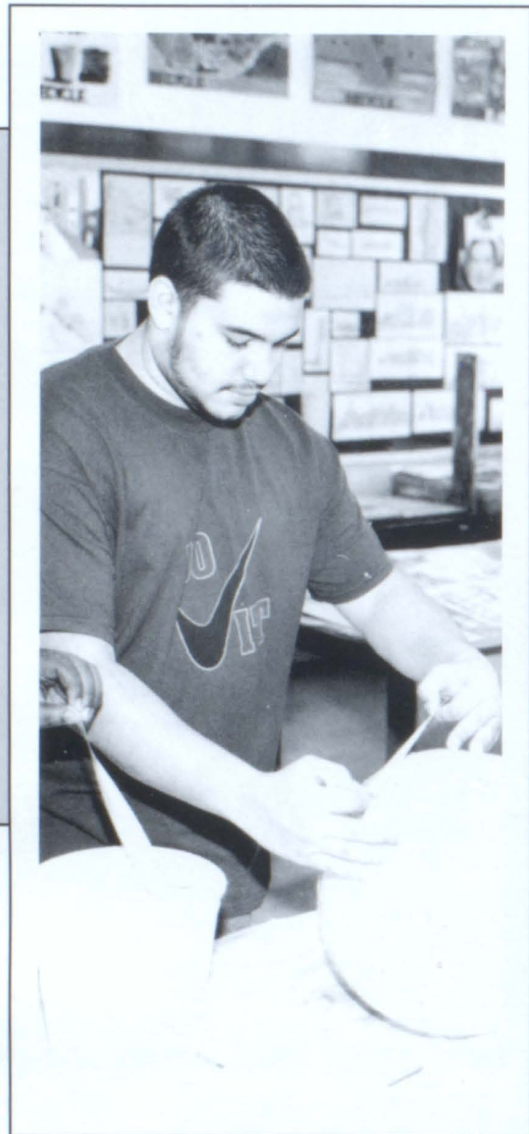

The FINAL Touch

The *final touch* is our legacy to become the standard for the future. We will succeed where others have failed. Our teachers and parents have challenged us to do our best, and therefore take our place as the leaders of tomorrow. We will not fail them, or ourselves.

Anthony Lozado creates a papier mache' mask for art class.

The FINAL Touch

Belkis Espinal smiles as Keila Cuevas blows out the candles.

"Life is what YOU make it; so make it good!!! Because you deserve the best!"
Ms. Denise Alamo

"No means just what it says."
Ms. Morton

"Beware of little expenses. A small leak will sink a big ship."
Orlando Rivera

"Sucess is not measured in monitary goals."
Mr. Phil Hamilton

"If you give a man a fish you will feed him for a day, If you teach a man to fish you will feed him for life."
Jaime Gonzalez

"The job of public education is mass produce failure."
Ms. Morton"

Marcella King plays teacher in her English class.

Shawn Tudor, Nkonye Okoe, Isaac Odusanya, Atia Pearson, and Okeala Thomas party on their way home from school.

STUDENT LIFE

Shevell shows his enthusiasm.

Ruiabiah Gbor struts his dance.

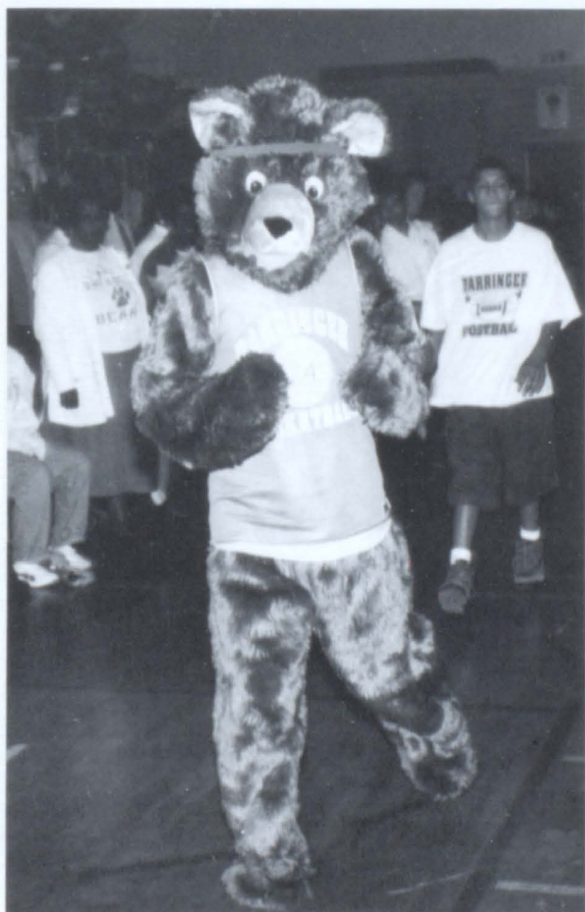

picture before going out to the Rally.

On October 17, 1997, everyone gathered together in the gymnasium for a spectacular event. It was our Pep Rally. The entire school showed their true school spirit by participating. The marching band performed like never before. The cheerleaders were terrific and everyone loved them.

Barringer's students applauded as each fall sport team was introduced. They became even more enthusiastic when our school mascot paraded around the gym. Everyone cheered along, and there were no fights. This was truly a memorable day to all who witnessed and participated in the Pep Rally.

Cheerleaders pose for the camera.

Barringer's mascot roars at the crowd.

Color guards perform for the audience.

The Marching Band open up the show.

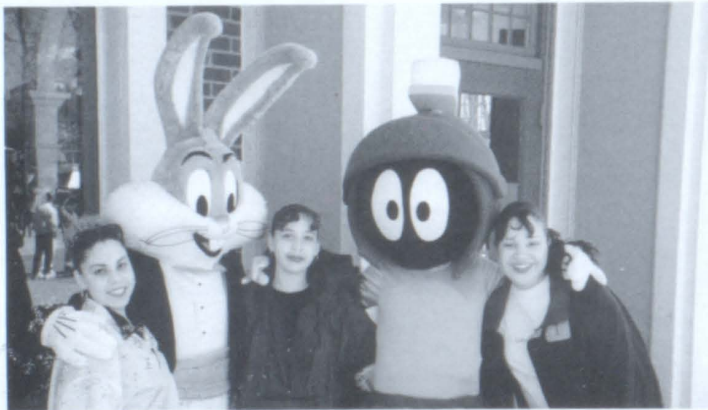

Hanging Out

Michelle, Maria, and Arelis at Six Flags.

Nadya hangs out with the crew.

Yasmine smiles as class ends.

Serina

Tamekah, and Rashia take a quick break.

Marvin is chilling with his homegirls.

Ivelis thinks about graduation.

Ivelis, Jorge, Amy, Jessica and Nydirah pose for a picture in the park.

As Barringer students, we have our share of learning fun. After a hard day of work, we take whatever free time there is to hang out with our friends. In between classes, we talk to our amigos in the hall and we always find time to pose for the camera.

The one thing that we will always remember about hanging out is chilling with our peeps at Broad and Market. There we get updated on all the chismes taking place around the school.

Kareem takes a time out from school.

Luz, Nydirah, and Gladys love taking pictures.

Twin Day

Jeannette and Diana, bashful friends.

Lucky and Tyisha, say cheese.

Ivelis and Amy are the same from head to toe.

Samantha and Kenya, Double Trouble.

Jocelyn and Melissa, Double Impact.

Tomicita and Sharilyz even have twin dolls.

Tamekah and Rashia close up as announced winners.

Did you ever look to your left and notice someone, and when you looked to your right you saw the same person. Well on December 18, 1997, that happened to many students. Barringer celebrated its very first Twin Day. It was a great event and many people participated. Everyone who played a part in it had a great time. Those who did not participate enjoyed watching the contestants mirror each other.

Twin Day was created by the Student Council and was judged by faculty. The participants that were dressed most alike won. The first place winners were Amy Delgado and Ivelis Gomez. Second place went to Rashia Thomas and Tamekah Dunn. James White and Jamil Brooks won third place.

"Maybe next time," say Henry and Frank.

LeeAnn and Joslyn are mirror images.

Elyse and Waffiyah perform for the judges.

Sisters, Tykilah and Venetta participate in Twin Day.

Jessica and Melissa display same brand name bags.

In unison, Ms. Morton and Ms. Alamo say, "Do you like our stockings?"

Students stand in line to vote.

Tamarah asks herself, "Are we done yet?"

Melissa, Tameka, Zenaida, and Mariela having fun.

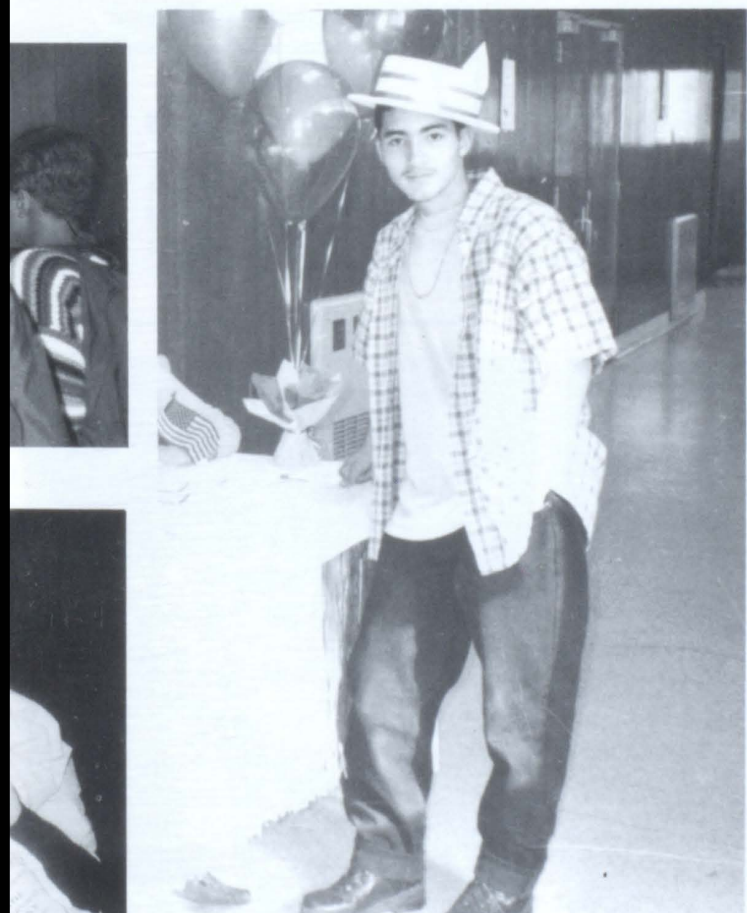

Barringer held its very first mock election on October 24, 1997. It was created by Ms. Smith, student council representatives, Mrs. Lopez, her AP History class, and Mr. Tortorello. On this day all students went down to the auditorium with their History teachers and cast their votes. They voted for who they felt should become the Governor of New Jersey. The two candidates were Christie Whitman and Jim McGreevey.

This was an enjoyable event and an unforgettable experience for the students. The result of the mock election was 423 votes for Jim McGreevey and 97 votes for Christie Whitman.

Tamekah, Ericka, and Jenny smile for the camera.

Nelson takes a break.

Melissa and crew wait for more students to register.

Organizers of the mock election, Mrs. Lopez and Ms. Smith, stand beside Mr. Alvarez for a quick shot.

Windrin Crisostomo propels the ball with a forehand shot!

Henry Amidohia reaches down to smash the ball.

TENNIS

Xavier Barbaran gets ready to serve the ball to his opponent

Tennis is the type of sport that requires a great deal of speed and endurance. Because of constant pressure on the individual, it is considered a solo sport first. However, keeping in mind that no matter what the score, our Barringer athletes played as a unit, and always gave their best efforts to win the matches.

Barringer's baseball team, a dedicated squad, made use of a powerful pitching staff and a solid infield and outfield. Throughout the season, the team always displayed a positive attitude. Dedication and hard work were the seeds to their triumph.

SOCCER

Immar Cruz beats his opponent to the ball.

Soccer is an exciting and exhausting sport which utilizes your head, chest, and legs. With coach Peter Serra and Lorenzo Cruz's experience, the soccer team proved to be a force to be reckoned with. This year Barringer experienced many suspense filled soccer games. The players worked hard to achieve excellence, and they played with a great deal of skill and heart. Although it may not have been the World Cup, this outstanding season left the Blue bears with the feeling of pride.

The girl's volleyball games this year were exciting to watch as well as play. It wasn't easy for our girls to compete with some of the stronger suburban teams - but they played with their hearts. And with unyielding perserverance they eventually made it to the state tournament where they lost to Clifton in the first round. The varsity team opened the path for the J.V. team which is young, bright and skillful. We're sure next year they'll make us proud.

Olkania Alvarado leaps to spike the ball.

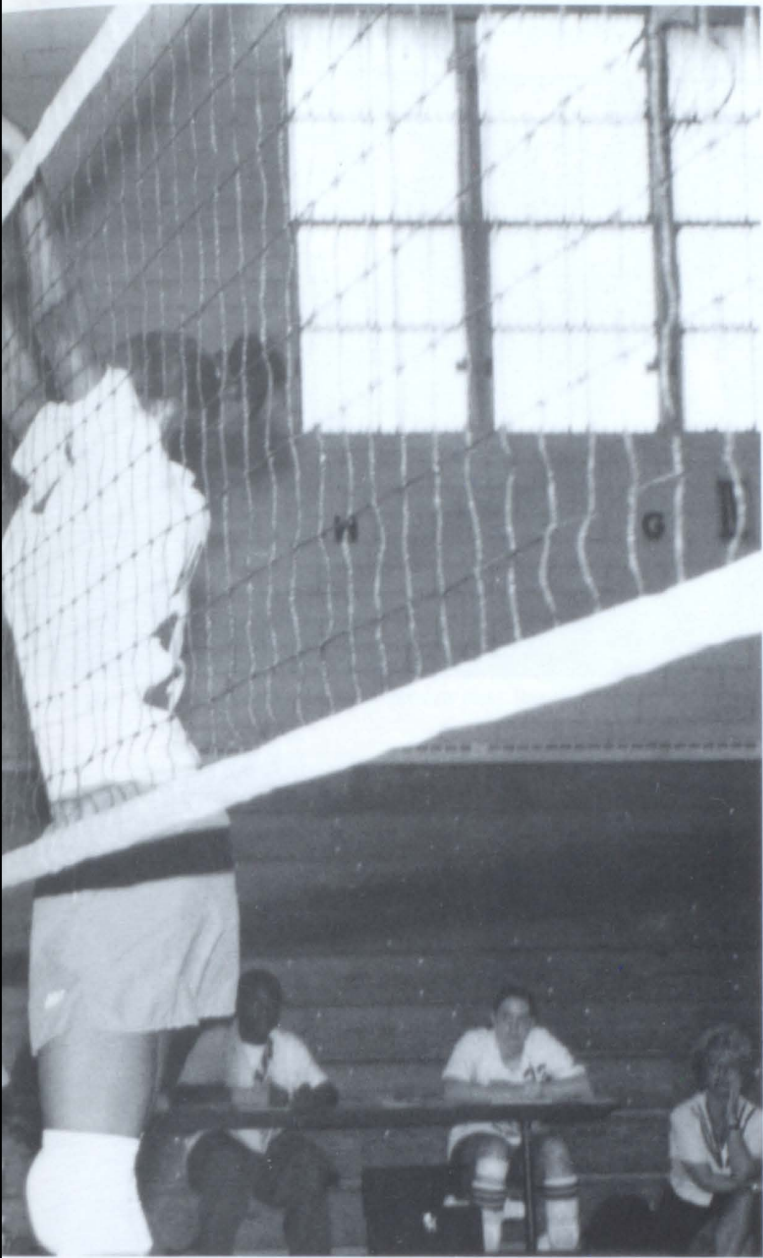

GIRLS VOLLEYBALL

Kenya Brooks blocks her opponents spike to get the score.

Glenda Nieves saves the point with a bump.

Alba Cruz smashes the ball with all her strength.

OUTDOOR TRACK

The outdoor track team demonstrated excellent running ability and a great abundance of stamina. Motivation is an important factor in being a dedicated track member. This year the team combined their efforts to reach over the top.

Working toward their goal of winning the league, Barringer's Softball team demonstrated once again their improving skills in offense and defense. The team's positive attitudes in every game helped them to victory, and prepare the upcoming players for the future.

GIRLS TENNIS

Melissa Hunte swings a smooth forehand.

Powerful backhands, strong forehands and killer serves lead the Tennis team on a winning path. The team, lead by Coach Ben Szamreta, overcame fears the players had toward their opponents, to complete a successful season. It was a good season for the girls and we wish the seniors luck in their future.

Despite a difficult season the players fought hard to win. The team, with the determination of true blue bears, persevered through their weaknesses in order to achieve their goals. Working hard in practice and on the field with the leadership skill of Coach Miguel Hernandez, the team endured a very competitive year. We hope next season the squad will be stronger and more successful.

WRESTLING

Omar Smith raises his hand in victory.

Fighting their way through a challenging season, the wrestling team displayed their strength and agility throughout the season. All of their many hours spent during hard practices paid off in the end. Seniors and team captains Yurko Gramajo, Omar Smith, and William Colon they were the first to win the district championship in 20 years. They also won first place titles at several tournaments and made it to the regional tournament. Supporting each other while building confidence was a major part of making the team successful. The team had a record of 14-6 which they haven't seen in a while.

Our girls basketball team is truly excellent. They are persistent, and are constantly striving to better their skills and their knowledge of the game. With a convincing win over Passaic on February 17, 1998, the team ended a 94 game losing streak; the longest in state high school basketball history. With the help of coach Al DelVento, this team proved that hard work definitely pays off.

BOWLING

The Girls Bowling Team made a real improvement this year. The team played well together due to the fact that some of the members didn't play last year. Team work, dedication to the game, and love of the sport made the Barringer Bowling team a success.

Amy happily bowls the ball for a strike.

Glenda is the last hope for the team.

The boy's basketball team displayed great teamwork throughout the season by compiling a record of 13-12. Each day after school, one could hear the squeaking of sneakers and the bouncing of the balls as the team held their afternoon practices. The boys also had an excellent season, making it to the states but lost in the second round by the number one seeded team Union. While dunks and three pointers were exciting sights for fans, the players played with pride and heart and for that we are grateful.

Acropolis Staff

The Acropolis newspaper, which is one of the oldest student newspapers in the country, provides news and information for Barringer students, teachers, and parents. The staff includes students who volunteer their time and energy to research, investigate and write the news pertinent to Barringer and the teenager's world. Journalism, writing and newscasting are some of the professions former staff members have pursued. These students work with the encouragement, support and help from their advisor Mr. Sal Di Gerlando.

The BHS Student Council is a school wide organization which promotes school pride and spirit; provides a voice for student concerns and sponsors service activities. This year the student council sponsored The annual Thanksgiving drive, The Great Teddy Bear Roundup which provided over one hundred teddy bears to children living in transitional housing; and twin day to promote school spirit. Also, collections have been taken through the year buy this club for the families of deceased students. Over 50 students in all grades participate in the popular annual fashion show, the major event sponsored by the council. In the month of May, the Student Council acknowledges teachers during Teacher Appreciation Week by serving breakfast and giving a token of appreciation.

Every year, the Student Council also honors graduating seniors by hosting a Seniors Only Affair. S.C. also co-sponsors events with other school organizations. A gubernatorial mock election and voter registration drive was one activity involving S.C. and the Close Up Club.

The Student Council consists of president, vice-presidents for each grade, secretary, and treasurer. Each September representatives are elected in their homeroom. Students who are not elected but are willing to work can become members-at-large. The S.C. is open to any student who is committed to working to give the school a more positive role in the life of students and faculty.

Aspira Club

The Aspira Club is a community-based organization providing counseling and leadership development programs. Since 1968, when Aspira was first formed, they have helped over 30,000 low-income minority youth complete high school and go on to post-secondary education. Participating in the Aspira Club gave these students the encouragement and mentoring that inspired them to strive toward the highest possible levels of education, effective leadership, and commitment to their community.

P.O.W.E.R.

Barringer P.O.W.E.R (Peer Outreach Workers Educating Risk Takers) is a program devised to educate the students in Barringer, as well as in the community, about HIV risk reduction, abstinence and safer sex. The members help students to become aware of the responsibility and consequences that go along with sexual activity through skits and demonstrations.

P.O.W.E.R also works in their community with the help of the S.T.O.P van. They are able to provide free HIV testing to willing individuals with the latest oral test called Orasure. In addition, these teens talk to other teens about sex and life in the age of AIDS, giving them a confidante when they feel that they can't speak to adults about their problems.

Chess is a competitive game where players have to develop problem solving skills and plan all the complex moves of the game. Besides, the game is just plain fun and relaxing. The atmosphere surrounding the game is one of mental challenge, mutual respect, and enjoyment.

Tohi Geanthan makes his move while Duane Country waits.

Duane Country tells Omar Stephen he's making a wrong move.

The Art Club

The key objective of the art club is to develop each participant's creativity. It gives each individual the opportunity to develop his or her artistic skills. Ms. Denise Alamo advises the members on how to make their art work more creative and desirable.

"An artist needs complete concentration", says Lisa as she paints her star.

The club has won many trophies, they are three time city champions, and each member has received individual recognition for their outstanding performances.

Future Teachers

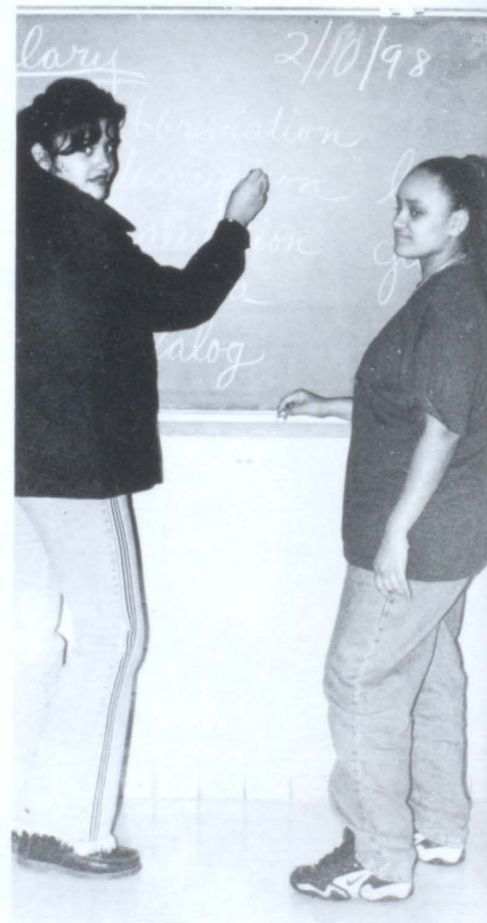

Teachers are a part of the framework of our society. The Future Teachers program consists of students who are interested in education as a profession. This club, which is advised by Mrs. Mildred Ceceri, allows students to learn more about the teaching field, and discover if they have what it takes to be a teacher. Students enrolled in this program must have a "C" average or higher.

The club consists of future chief executives officers, accountants, entrepreneurs, and stock brokers all preparing to make waves in the world of business. The FBLA gives the students the opportunity to explore the business world, their area of interest by taking field trips to various industries, and companies. These trips enable the members to get an insight into the business environment.

Advisor, William McGuinn, prepares agenda for the next Future Business Leaders meeting.

Senior Class Committee

Tamara Cherry and Melissa Hernandez struggle as they fold invitations.

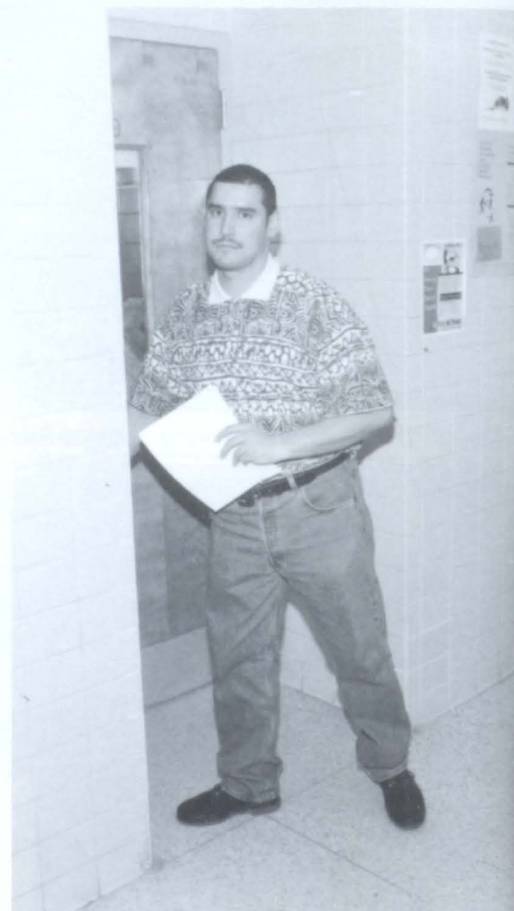

The Senior Class Committee consists of committed seniors who volunteer to aid the advisor in arranging class activities over the course of the year. The members provide the class with the opportunity to voice their opinions concerning topics pertaining to the class. The committee plans many fund raisers to help out on all of the expenses of the senior class. The class of 1998 is sponsored by Mr. Wilson Martinez.

As Mr. Lorenzo Cruz flips the pages, Alfredo Ramirez works on his writing skills.

"The students here are underestimated and so is Barringer itself. Despite what most people think, there are a lot of bright and gifted students here. They simply aren't given the chance to excel because of low expectations of them. I love my school, and no matter what, I'll always be proud to be a Blue Bear. Yet, I sincerely hope that changes in the curriculum and changes in attitude (both students and teachers), become prominent in the future. I also hope that the students learn to appreciate the diversity here, for it doesn't cause problems, it prepares us for college life and the world."

Principal

Congratulations to the class of 1998.
Your positive outlook & willingness
to give of yourself will always be
cherished. You have demonstrated
the characteristics & resolve to face
any challenge. Remember:

If you think you are beaten, you are.

If you think you dare not, you don't.

If you like to win, but think you can't,

It's almost certain that you won't.

Life's battles do not always go to the
stronger woman or man,

But sooner or later, those who win

Are those who think they can.

Never, Never, Never give up.

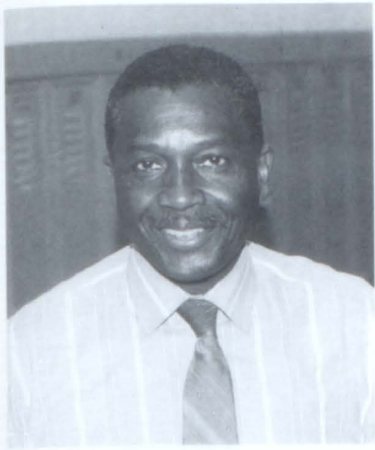

Best wishes and good luck!

MATHEMATICS

The Mathematics department stimulates the students to develop a working knowledge of basic math skills in preparation for employment or daily life. A variety of courses for the exceptional individual are also offered in the math curriculum. In this age of rapidly advancing technology and the use of computers, the knowledge of mathematics becomes increasingly significant.

SOCIAL STUDIES

Social Studies teaches every student the knowledge of history. Through the study of various civilizations students learn to think, to evaluate, determine, interpret, and to apply knowledge to the solution to everyday human problems. Course offerings such as Law in Action, Sociology, Psychology, and Labor Studies prepare students to be active, aware citizens.

BUSINESS

Our Business Education training has resulted in employment for many thousands of Barringer graduates. Students are trained for entry jobs such as secretaries, bookkeeping, typist and clerks. Young adults also learn how to cope in society and in their own homes by becoming familiar with real life situations: keeping a budget, filling out income tax returns etc. While the department prepares some students to succeed and advance in business, others are encouraged to go to college to pursue professional careers in accounting, computer programing and the teaching of business education.

FOREIGN LANGUAGE

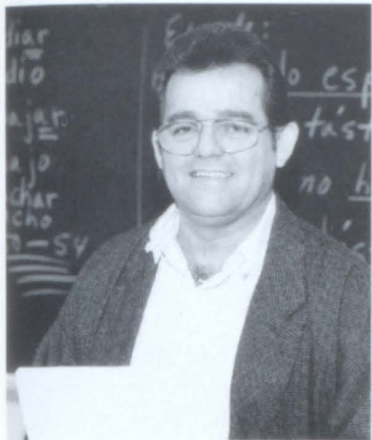

Lawrence DelVisco

Hilda Rivera

The department of Foreign Language is vital to communicate in a shrinking world. Knowledge of a second language is an asset in many ways to business, industry, commerce, civil service education, law, media, science and the work field in general. At Barringer the Foreign Language department aids students in the progressive ability to speak, read, express, and ultimately to comprehend and enjoy a second language.

SPECIAL EDUCATION

Special education is generally accepted to mean education for, and available to exceptional individuals (handicapped and gifted), whose educational needs are different in part from those of most of their peers.

Children and youth in need of special education are not limited to specific categories. Barringer's special education is built on the concept of understanding unusual differences among the school age population and meeting individuals needs.

MUSIC

Music is an important part of a high school student's life. The Music department offers such courses as Music Foundations that impart a general knowledge of music to the student. For those who desire a deeper understanding of the music world, Orchestra, Band, Chorus, and instrumental lessons, are offered.

Beatrice Herring

Rochelle Tominic

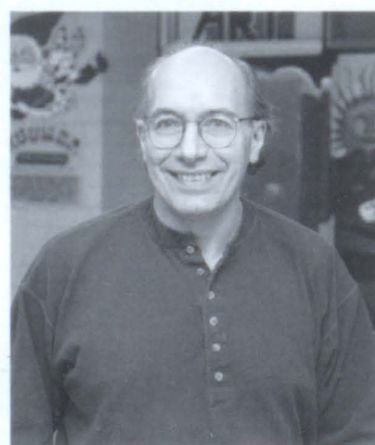

Mrs. Bea Herring plays the piano for chorus members: A.Dent, H.Amadoiha, R.Carter, G.Dunson, A.Lopez, M.Jackson, J.Rodriguez, Q.Shappell, S.Hollis, Z.Lightner.

ART

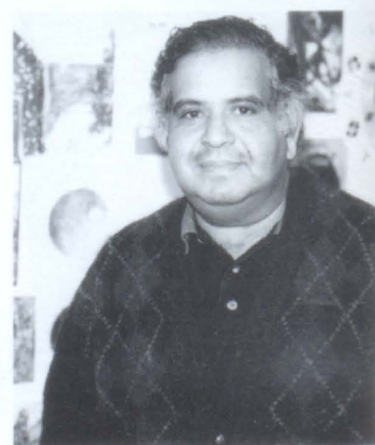

Visual art talent is an innate ability in all people. In Barringer the art department attempts to enhance that ability in each student. Art Foundation is designed to encourage awareness of aesthetic values; to explore various art media and materials; and to develop the creative potential of each individual.

HOME ECONOMICS

Mary Jean Meravi

Lois Porter

To become successful employees, homemakers, and parents, and to learn techniques in consumer awareness, Barringer students can elect a course in Home Economics. The Infant-Toddler Center allows teenage mothers an opportunity to have their children cared for by professionals while they complete their high school studies. Food and clothing classes develop the student's homemaking skills, while consumer education teaches purchasing skills.

The FINAL Touch

A group of seniors are caught by the yearbook photographer.

"We have achieved a very big goal and that is graduating from high school. Now we must continue from this point on to reach our other goals."
Jocelyn Fuentes

"People always say you never know what you have until it's gone. Well I'm losing my second home. But I will always be a Blue Bear. Thanks for making this the best four years of my life."

Tamekah Dunn

"Students and teachers at Barringer treated me with respect, and kindness. Not only will I be leaving a school of fun filled memories, but I will also be leaving a place where I can call my second home."
Solmaly Lopez

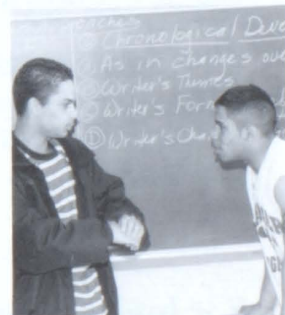

As he waves his hand in Spanish class this senior shouts, "Me llamo Isaac Odusanya".

Jerry Martinez, Shaheeda Whidleton and Erica Santiago create masks in Art.

ADVERTISING

"The gangs all here," shouts this A.P. English class.

As Anthony Santiago leans over the desk, William Colon discusses a wrestling hold.

Retiring Vice Principal, Dr. Evelyn Lewis cautions students about following the school schedule.

Where the Chemistry is Right

TECHNICAL TRAINING PROJECT, INC. - (TTP) is a private, non-profit organization which was created in 1968 by a consortium of eleven major pharmaceutical companies in New Jersey - New York area. Its purpose is to provide training for entry-level laboratory technician positions.

This unique program provides industry with trained laboratory personnel, who possess good technical skills and work attitudes. Here is an excellent opportunity for training, leading toward a Career in Science. Graduates are working in pharmaceutical, health care, chemical, paint, food, cosmetics and a host of other industries.

TTP runs two classes a year, February to June and August to December. This twenty week course of study consists of on-job training and accredited courses leading toward an Associate Degree in the Applied Sciences.

Prom - May 21, 1998

West Orange Manor

The site of the Class of 1998 Prom.

Your coach awaits you at The Manor's entrance.

Mr. Wilson Martinez, senior advisor, chaperones the evening with other faculty members.

Class of "98" Presents:

"My Heart Will Go On"

Mr. Alvarez, as he enjoys the prom.

Raul Rivera enjoys the company of his date.

Quadera Chappell awaits her date.

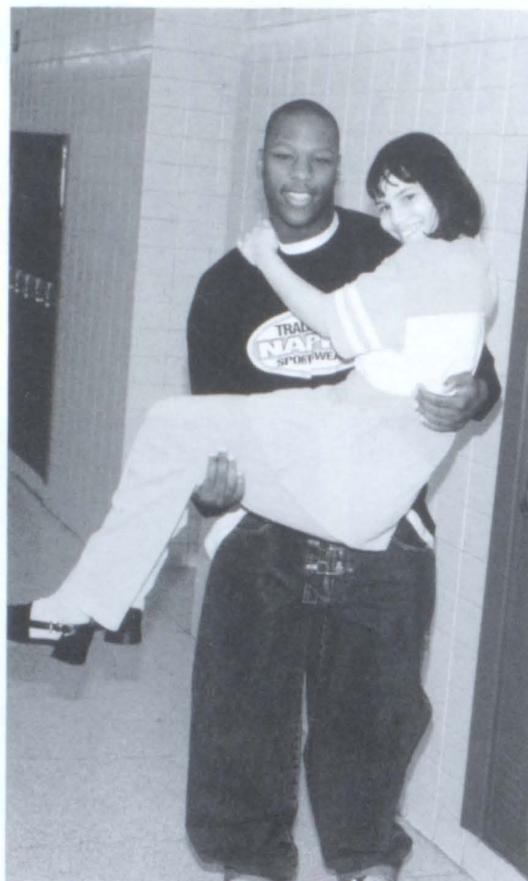

Zenaida Rodriguez takes a minute to pose.

BLOOPERS

"Who needs metal detectors when you have the laws of gravity."

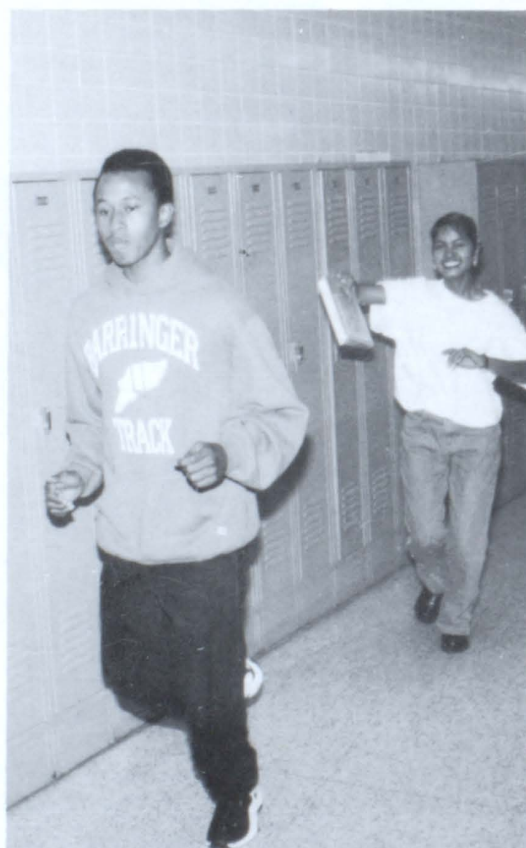

I never said I do, but will you take me to the next class?

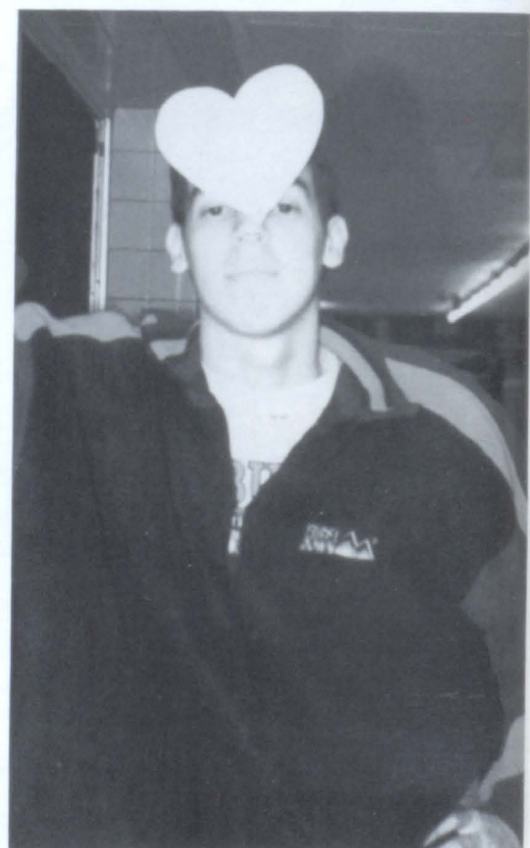

"Isn't there a law against teacher harrasment?" says Isaac to Ms. Karen Parsons.

"Guess who I want to be when I grow up?"

Here, its just a love note.

Hey, How do you know that I am in love?

& BLUNDERS

"My gift from the Senior Class," says Advisor Mr. Wilson Martinez.

"Hey this might be the 90's, but cut that stuff out!" says Anthony Santiago to Jessica Rivera and Ivelis Gomez.

This is my lucky day!

"Barringer's new taxi service."

"Am I the bomb or what!"

"You be my Adam and I will be your Eve."

The Best of the Best.

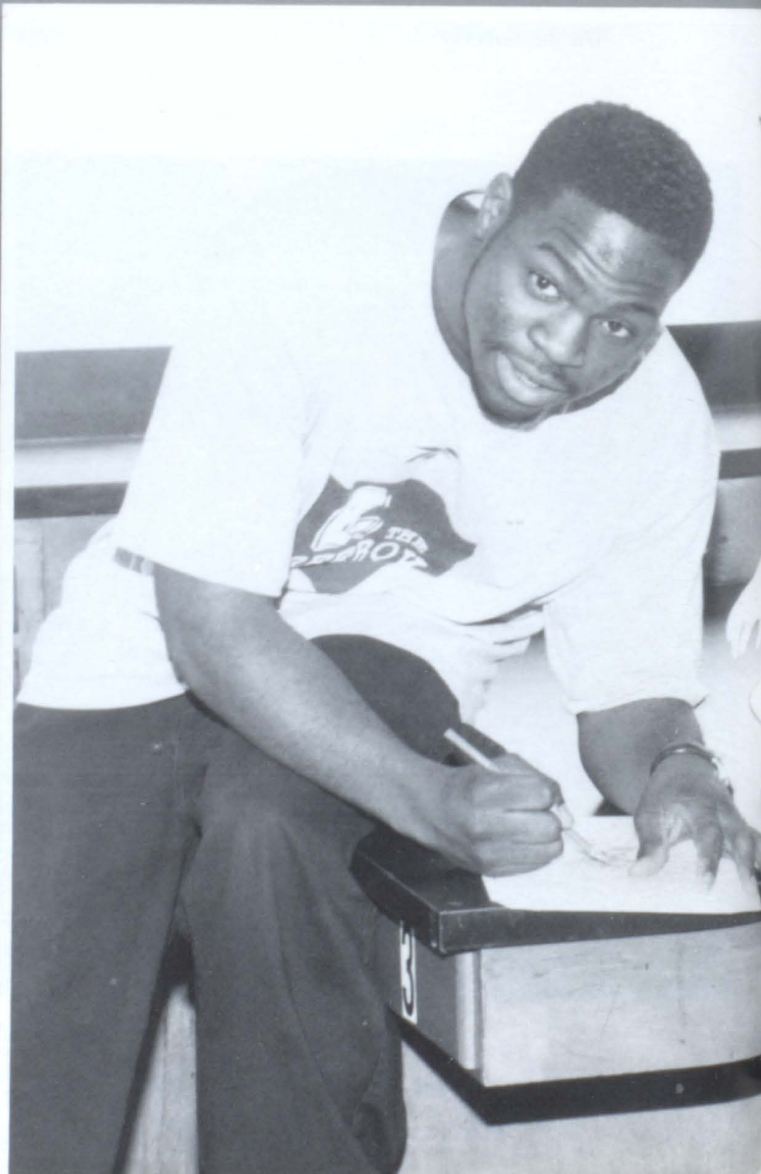

The **FINAL** *Touch*

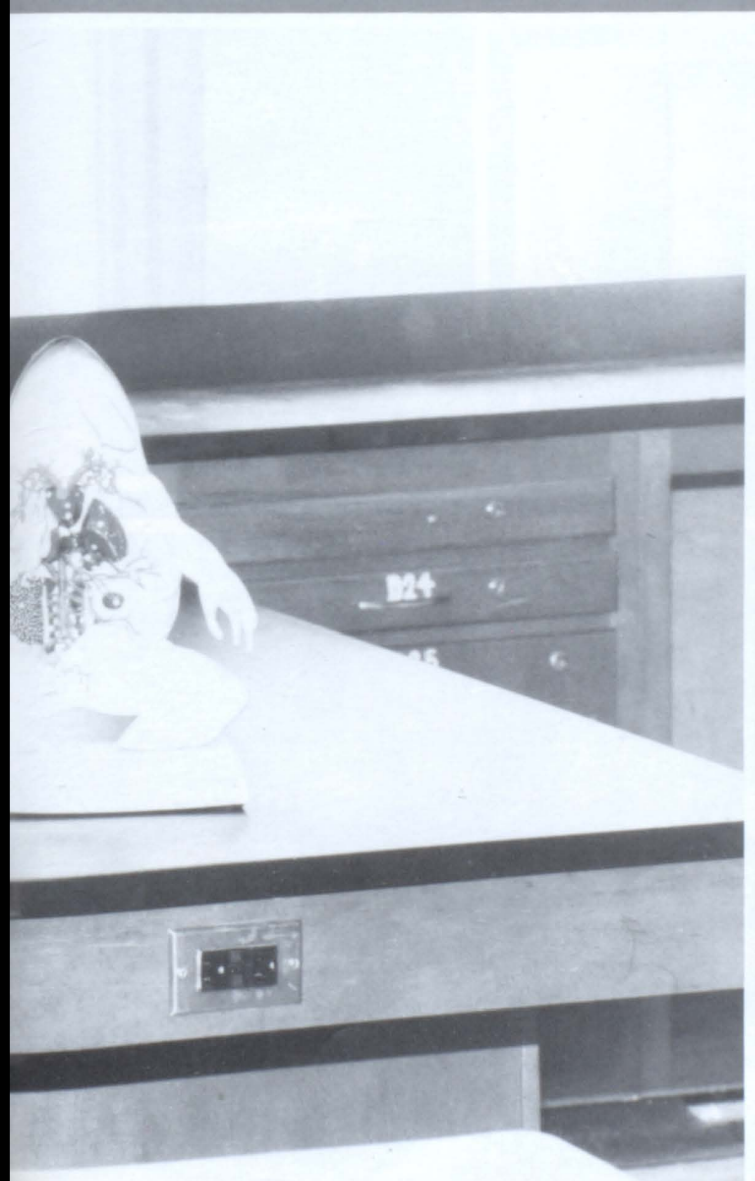

AS YOU RECEIVE YOUR DIPLOMA...

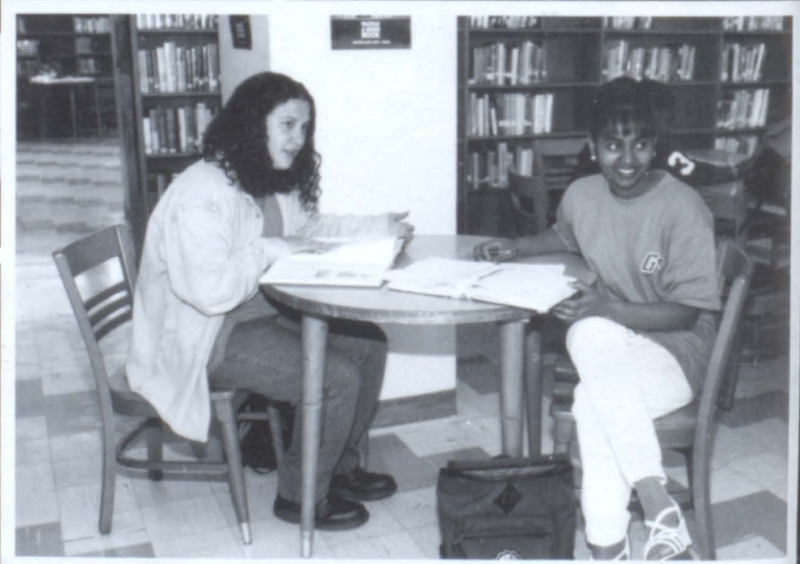

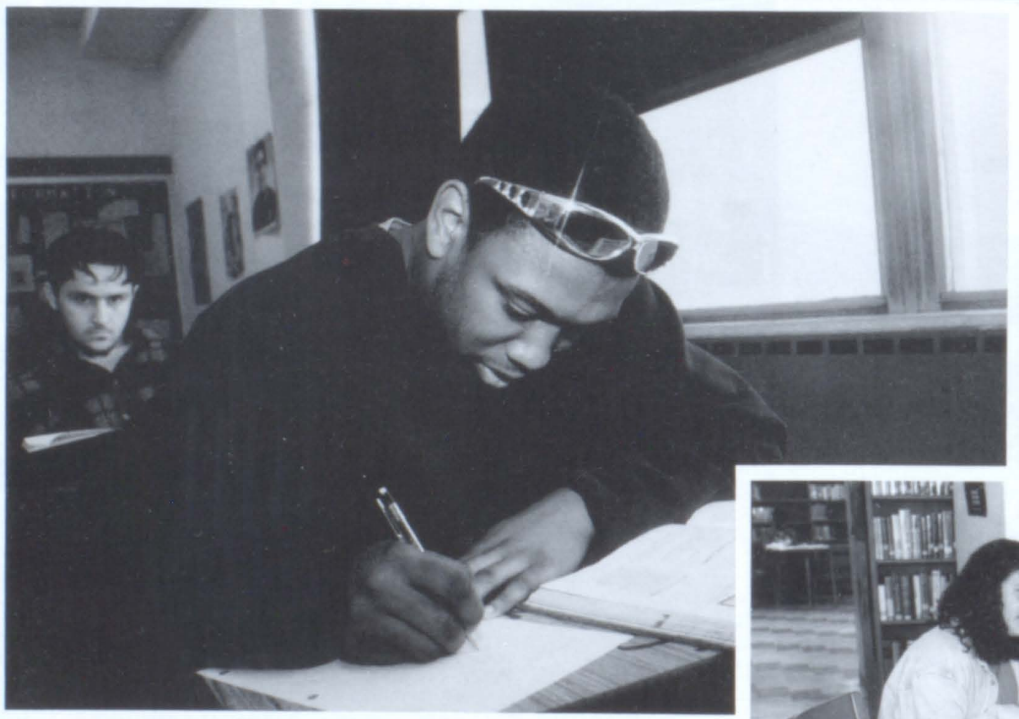

*When you step forward to receive
That all important scroll,
It means you are one step nearer
To you long-awaited goal;*

*And yet you'll never say good-bye
To Teachers, books and schools.
Life will give you new assignments,
Harder lessons, stricter rules.*

*But you'll find that your diploma
Will open wide the door
Of those golden opportunities
You've been waiting to explore.*

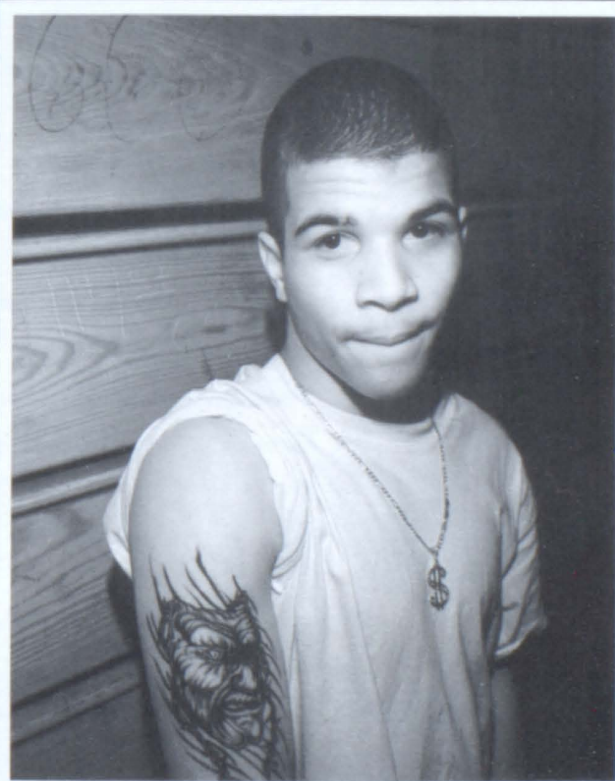

The **FINAL** *Touch*

*While you gather up memories
At the end of the long aisle,
You will say good-bye to classmates
With a handclasp and a smile.*

*May the knowledge you have gathered
Keep you on the winning side
As you proudly face the future
With confidence and pride.*

Reginald Holmes

TO ACHIEVE YOUR FINAL TOUCH REMEMBER YOUR ABC'S

Avoid negative sources, people, places, things and habits.

Believe in yourself.

Consider things from every angle.

Don't give up, and don't give in.

Enjoy life today; yesterday is gone, and tomorrow may never come.

Family and friends are hidden treasures. Seek them and enjoy their riches.

Give more than you planned to give.

Hang on to your dreams.

Ignore those who try to discourage you.

Just do it!

Keep on trying. No matter how hard it seems, it will get easier.

Love yourself first and most.

Make it happen.

Never lie, cheat or steal. Always strike a fair deal.

Open your eyes, and see things as they really are.

Practice makes perfect.

Quitters never win, and winners never quit.

Read, study and learn about everything important in your life.

Stop procrastinating.

Take control of your own destiny.

Understand yourself in order to understand others.

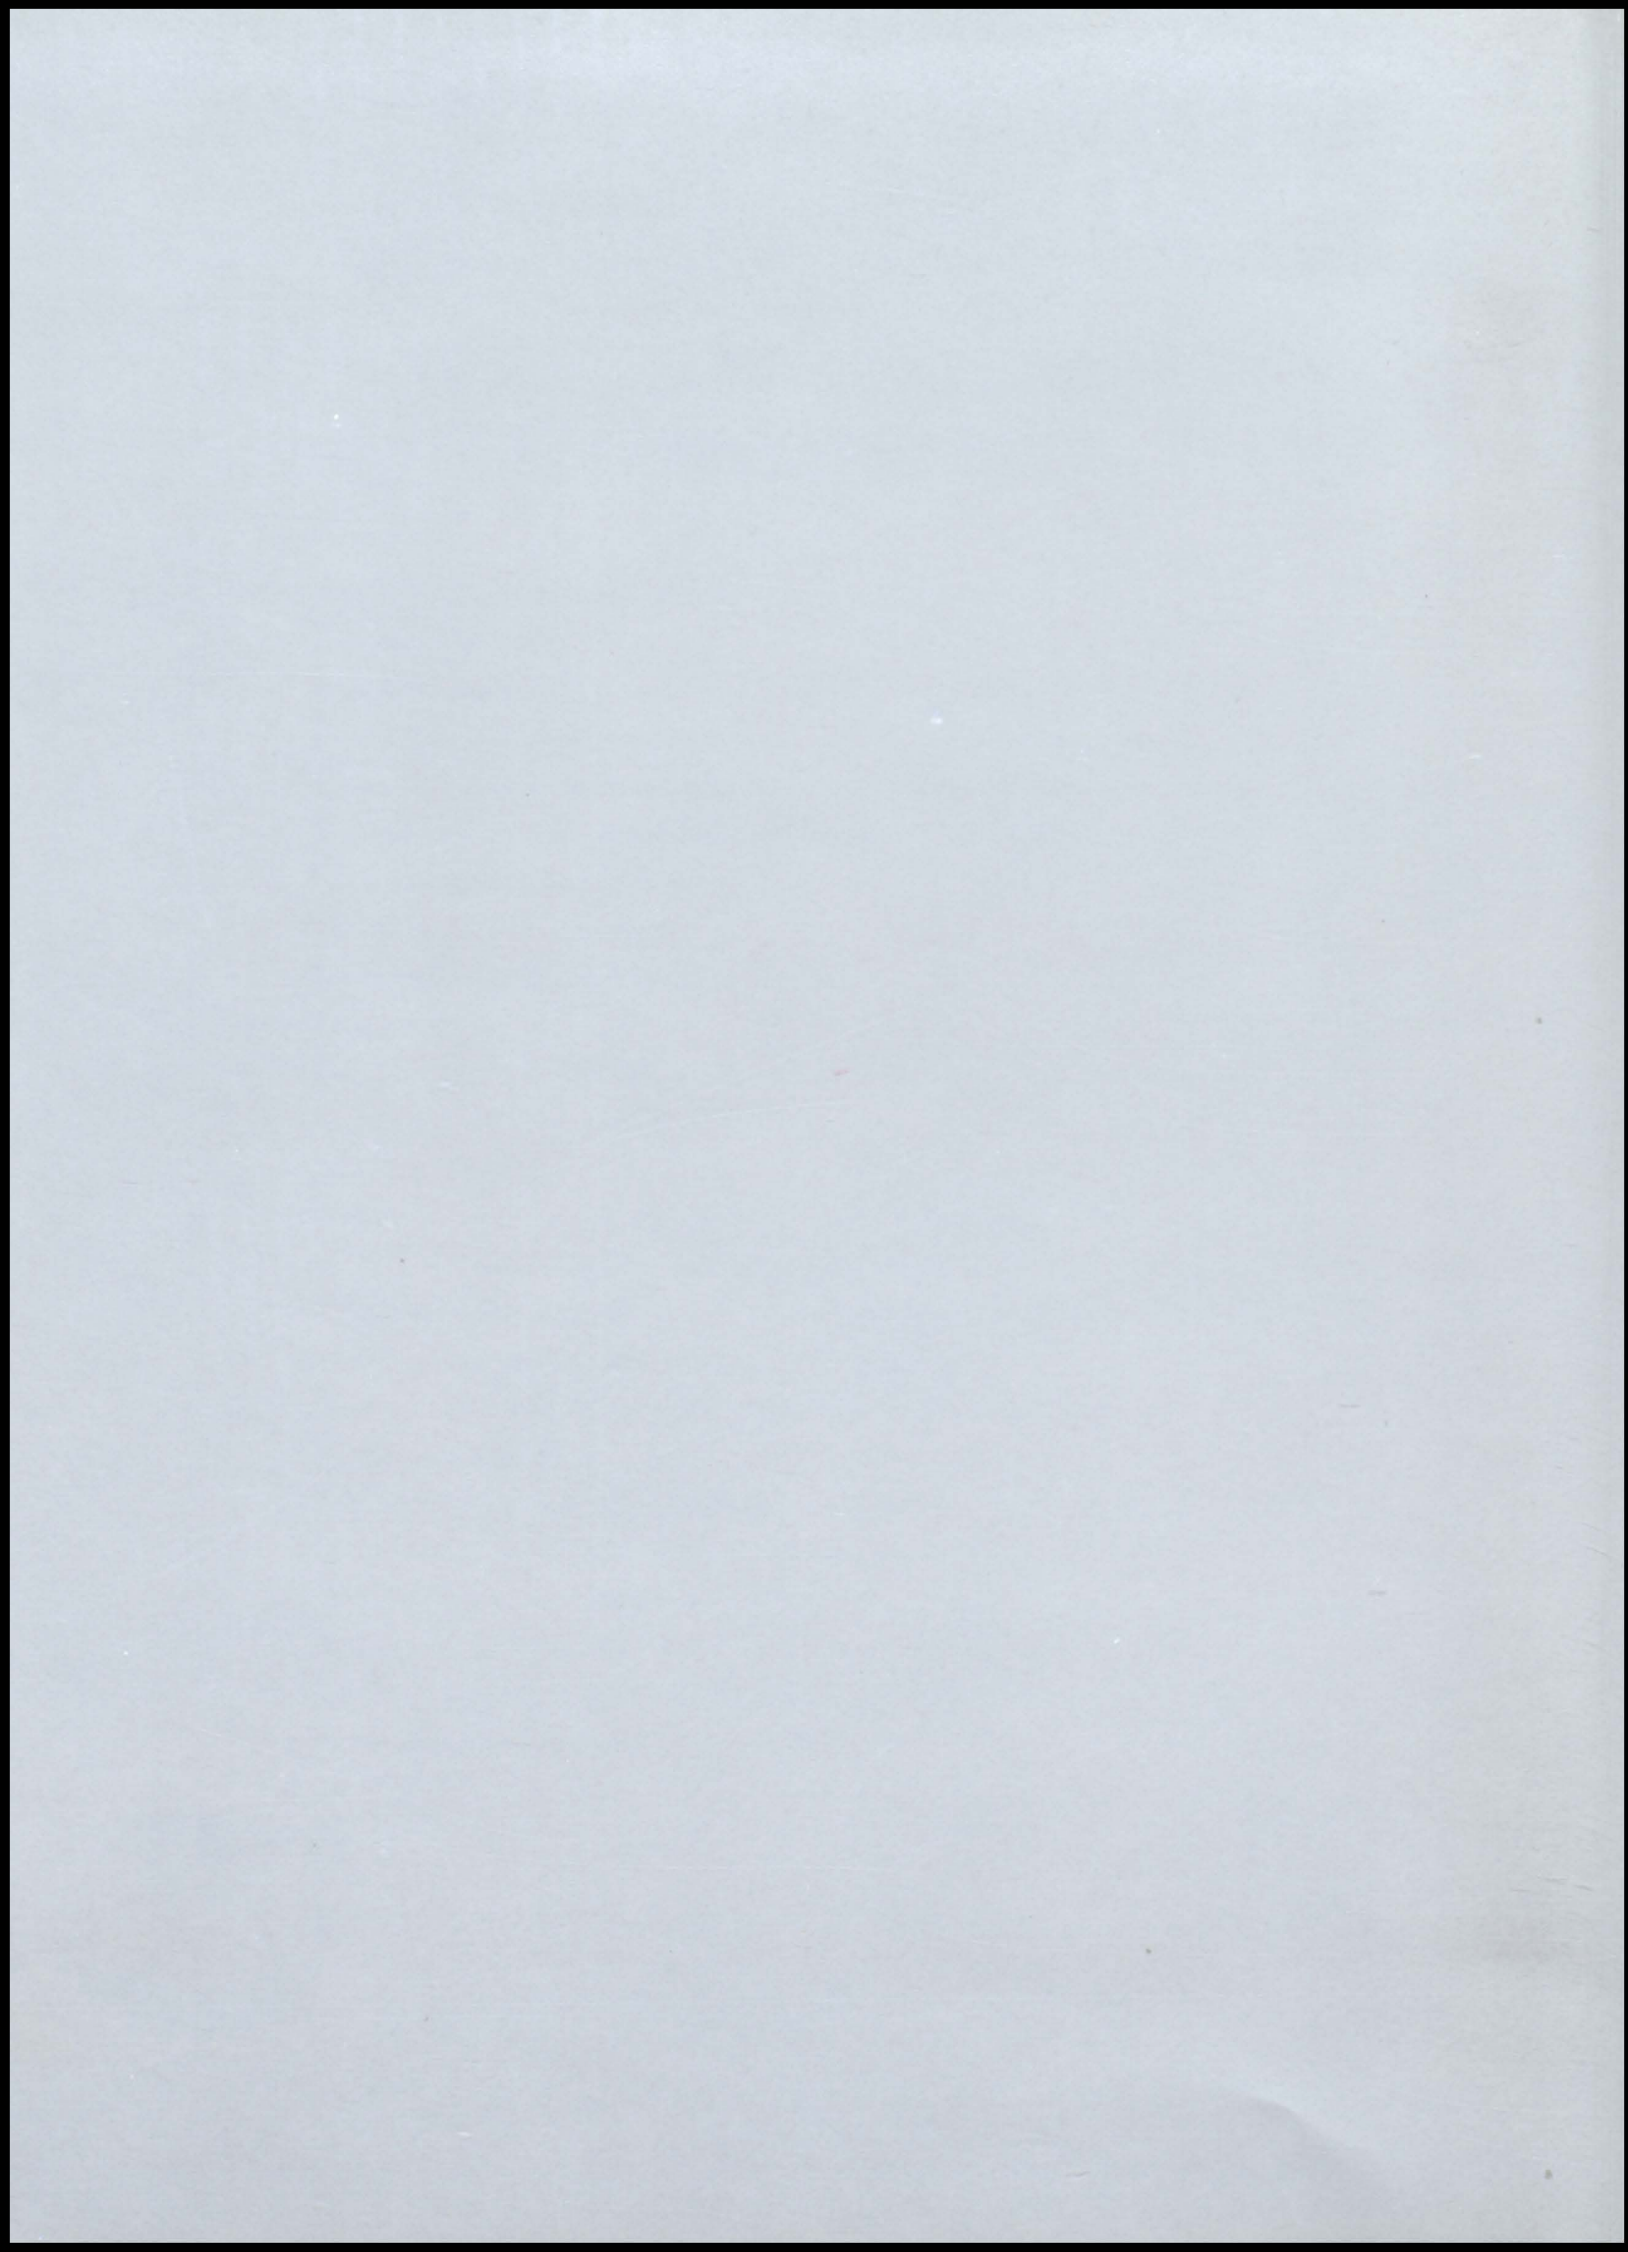

Want it more than anything.

Xccelerate your efforts.

You are unique of all of God's creations. Nothing can replace you.

Zero in on your target and go for it.
